Subject: FYI: ORD QA call for Gold King mine release work

Hi Tom, Greg,

Deliberative Process/Ex. 5

Just thought to keep you informed as part of my routine to send you notes on QA conference calls. On the conference call: Linda Himmelbauer, Deb McKean (from the regional office, I believe), Eric Koglin, Brittany Stuart (QA mgr in Athens), Homeland Security's QA managers Eletha Brady Roberts and Ramona Sherman, Lora Johnson, and me.

Margie
